Fees and Expenses

Our philosophy has always been that anyone who feels led to come to Quaker Spring should follow that leading, whether or not they can afford to pay anything at all. We can even help pay for transportation within the United States in some cases. We have found over the years that those with financial resources are glad to cover the cost of meals and housing for everyone who comes. It's a community thing. The fee table below is intended for those who can afford to pay, and suggests what level of contribution will fully support the whole community.

Suggested free-will offering range:

- Adults: \$35–70 per person per day
- Young Friends and Young Adults (*ages 13–35*): \$20–40 per person per day
- Children (*ages 5–12*): \$10–20 per child per day
- Children 4 and under: free

You can pay your gathering fee — preferably using check or cash — when you arrive. It is also possible to pay using PayPal, Visa or MasterCard if that is easier for you. Advance payment is not required. Please let us know ASAP, however, if your plans change.

The total amount (in US \$\$) I expect to contribute towards gathering expenses for me and my family (enter a zero if you feel unable to afford any contribution towards costs this year):
