**Seeking God's guidance

Fellowship

“The intent of all speaking [in meeting for worship] is to bring into the Life, and to walk in, and to possess the same, and to live in and enjoy [that Life], and to feel God's presence, and that is in the silence, (not the wandering whirling tempestuous part of man or woman)... There is the flock lying down at noon-day, and the feeding of the bread of life, and drinking of the springs of life, when they do not speak words. For words declared are to bring people to [the Life] and [are for] confessing God's goodness and love, as they are moved by the eternal God and his spirit....”
